Opp. No. 117,378
Serial No. 75/282523

OPPOSER'S OPPOSITION TO APPLICANT'S
REQUEST FOR AMENDMENT DATED MARCH 28, 2002

Opposer, Omega S.A., through its undersigned counsel, hereby objects to Applicant's request to amend Application No. 75/282,523, as the amendment does not address Opposer's demand that Applicant amend its identification of services in International Class 35. Without such an amendment, Opposer maintains that it will continue to be damaged and the strength of its venerable OMEGA brand and registrations adversely affected.

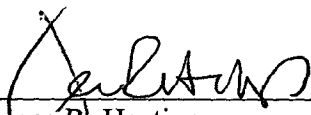

Opposer will continue to attempt to resolve the outstanding issues with Applicant, and report back to the Board in the event that a successful resolution has been achieved.
